DIPLOMA OF
INFORMATION TECHNOLOGY

Vocational Qualification
(ICT50220) (CRICOS: 112539M)

ait Academy of Interactive Technology

Welcome to AIT

Operating since 1999, AIT has educated thousands of students from all over the world who have gone on to build successful careers in the digital and creative technology industries.

Course Information

This vocational education course will provide you with a strong foundation in Information Technology, and the essential knowledge and skills you will need for professional practice. AIT's Diploma of IT covers important technical concepts, such as programming in multiple languages, web development, database design, software engineering and data management, while also emphasising professional skills such as communication, collaboration, trouble-shooting,problem-solving, and critical thinking.

Upon completion, you will be ready for entry-level IT positions, such as help desk technician, technical support specialist or network administrator, and can even continue your education with AIT's second-year bachelor's degree program.

With the ever-changing landscape of technology, our Diploma in IT offers a solid foundation for you to achieve long-term growth and success in your career.

Course Features

- Quality affordable Australian-accredited education
- Reputable Australian-owned educational institution
- Teaching experts with industry experience
- Interactive classes, practical assessments and projects
- Flexible timetable, with 1/3 self-paced online
- Weekly skills development support with a teacher
- Option for English prep and post-study work visa pathways
- Study on-campus in Sydney or Melbourne
- Direct pathway into the 2nd year of AIT's Bachelor of Information Technology

Course Structure

4 x 12 week trimesters
2 x subjects each trimester
Total course length = approximately 1 year + 3 months
4-8 week breaks in between trimesters

Structure and Subjects

Trimester 1 (12 weeks)

Subject 1 - Information Systems Basics	Subject 2 - Professional Skills for IT
ICTICT517 Match ICT needs with the strategic direction of the organisation **ICTSAD508** Develop technical requirements for business solutions **ICTNWK548** Model preferred system solutions	**ICTSAS527** Manage client problems **BSBXTW401** Lead and facilitate a team **BSBCRT512** Originate and develop concepts

Break

Trimester 2 (12 weeks)

Subject 3 - Foundations of Web Development	Subject 4 - Foundations of Programming
ICTWEB522 Develop website information architecture **ICTWEB514** Create dynamic web pages	**ICTPRG443** Apply intermediate programming skills in different languages **ICTPRG533** Debug and monitor applications

Break

Trimester 3 (12 weeks)

Subject 5 - Analysing Data	Subject 6 - Database Development
ICTDAT501 Gather, analyse and verify data from different source inputs **ICTICT532** Apply IP, ethics and privacy in ICT environments **ICTSAD502** Model data processes	**ICTDBS506** Design databases **BSBXCS402** Promote workplace cyber security awareness and best practices **ICTWEB451** Apply structured query language in relational databases

Break

Trimester 4 (12 weeks)

Subject 7 - Foundations of Software Engineering	Subject 8 - Advanced Programming Skills
ICTPRG444 Analyse software requirements **ICTPRG546** Validate application designs against specifications	**ICTPRG547** Apply advanced programming skills in another language **ICTPRG442** Apply mathematical techniques for software development

Your study load each week is a minimum of 20 hours. These hours are split between three types of study activity:

6 HOURS
New Knowledge

Time in class with an industry-experienced expert teacher who will take you through new knowledge and activities each week

8 HOURS
Skills Development

Time in class where you work on your skills development and get one-on-one support from your teacher and other peers

6 HOURS
Online Self-study

Self-paced learning through content and activities online

Sample Weekly Timetable - Day/Evening Classes

Students are able to choose either a day timetable or an evening timetable, allowing ample time for other commitments.

TIME	Mon	Tues	Wed	Thurs	Fri	Sat	Sun
9am - 12pm			DAY TIMETABLE Subject 1	DAY TIMETABLE Subject 2			
12pm - 12.30pm	Online Self Study		Break	Break	Online Self Study		
12.30pm - 4.30 pm			DAY & EVENING TIMETABLE Skills Development	DAY & EVENING TIMETABLE Skills Development			
4.30pm - 5pm			Break	Break			
5pm - 8pm			EVENING TIMETABLE Subject 1	EVENING TIMETABLE Subject 2			

Sydney Campus

Our Sydney campus is conveniently located in the heart of Sydney's educational precinct, close to Central Station, in a lively and safe area, with an energetic vibe.

Melbourne Campus

Our Melbourne campus is located directly across from one of the biggest railway interchanges in the Melbourne CBD, Southern Cross Station.

Both campuses feature classrooms with fast internet speeds, the latest computers and technology, and friendly support staff always close by to help.

Intake Dates

- 18th September 2023
- 5th February 2024
