

# SAN FRANCISCO TECH TALK PACKAGE

## LEVEL UP YOUR ENGLISH AND YOUR FUTURE: RIGHT IN THE HEART OF INNOVATION.

CLA invites international students aged 16+ to join our exclusive TechTalk Package in San Francisco, one of the most vibrant and forward-thinking cities in the world. This unique experience blends dynamic English classes and business-focused electives with immersive cultural activities - including a full-day tour of Silicon Valley, the global hub of innovation -all designed to boost your language skills and global mindset.

# WHY SAN FRANCISCO?

San Francisco isn't just a city — it's a global hub for technology, creativity, and cultural diversity. Home to some of the world's most iconic companies like Apple, Google, and Meta, the Bay Area is the birthplace of groundbreaking ideas and the future of tech.

Studying in San Francisco means more than just learning English. It means walking the same streets as Silicon Valley pioneers, networking with people from all over the world, and experiencing a dynamic mix of history, art, startups, and innovation. From riding the famous cable cars to exploring tech campuses and scenic coastal views, every day brings a new adventure.

With endless opportunities to grow personally and professionally, San Francisco is the perfect place to dream big, learn fast, and connect globally.
